

Greek Isles & the Dalmatian Coast

From ancient Phoenicia, Imperial Rome and Persia came the early traders, followed by crusading knights, Genoan mariners and troops of the Ottoman Empire. They came to conquer – only to be vanquished by time. What remains of ancient times are stone ruins, myth and mystery. In hidden coves, Star Clipper finds harbours where twisting cobblestone alleyways lead us to white-washed villages with inviting shops and tavernas. Explore mythical ruins or underwater grottos. Bask under the sun-blessed skies on pristine beaches. Select Star Clipper sailings continue up the Adriatic Sea to Venice, with stops along the coast of Croatia and in Montenegro. Join us on one of our most popular Mediterranean cruises.
