

Final Payments by Cheque

To take advantage of Craig Travel's Pay by Cheque discount follow the steps below:

- 1) **BEFORE** writing your final payment cheque compare the "Balance Due" amount on your invoice to this chart and **DEDUCT** the applicable saving from the list below.
Example: Balance due \$6,445 - subtract savings of \$90 = payment by cheque of \$6,355
- 2) Mail your signed cheque made out to "Craig Travel" early, ensuring it arrives at the Craig Travel office before the final payment date on your invoice. Be sure to note the name of your journey on your cheque.
- 3) If balance due is \$22,000 or greater, call our office for details.

NOTE: To receive the cheque discount, your payment **MUST** be in our office by the final due date. If your cheque is not received prior to the final payment date on your invoice, Craig Travel will process the balance due payment on your credit card. Once final payment is applied, no change to the form of payment can be made.
