MAR 10-APR 1, 2025 | 23 DAYS | 43 MEALS
JOURNEY LEADER: WENDY MARSHALL

An adorable penguin in Boulders Beach

Often described as “The World in One Country”, South Africa is blessed with a diversity of climate, geography, wildlife, and cultural heritage unmatched anywhere else. Each day, new and exciting vistas unfold before us: the rolling pasturelands of Mpumalanga, the lush greenery of the Garden Route, the bush with its endless varieties of game and bird life, miles of golden sand beaches, quaint country towns, modern thriving cities, and much more.

Over the past two decades, South Africa has undergone tremendous political and social changes, transitioning from a minority white rule and apartheid to a representative government. Today, the country lives in harmony with both nature and its people. We will have special opportunities to meet with and learn from different ethnic groups throughout our journey. As our previous departures to South Africa have filled extremely quickly, we urge you to enroll early.
