*The majestic Wat Arun Temple*

Much has been said about river cruising in Asia, whether on the Lower Mekong, in Myanmar, or India, but the Upper Mekong has for the most part gone unexplored.

Explore the charms of Bangkok before embarking on an exciting journey along this mysterious part of the world. The delightful rv Mekong Pearl will take us from Vientiane, the capital of Laos, which for decades was definitely off the beaten track to the legendary Golden Triangle. Delve into the Buddhist culture in Luang Prabang as we take in the sights of fascinating pagodas and monasteries. Marvel at thousands of Buddha statues in the incomparable setting of Pak Ou Caves.

Get a taste of local flavours as we stroll through colourful markets dotting the banks of the mighty river. Meet the lovely people of Laos and experience firsthand their traditional way of life. Charming villages, stunning scenery, pristine jungle, and magnificent rapids that run through the hills of remote Laos all await.
